Conversion of marks to grade to 5 year Int. M Tech (CS) programme

The Council approved the proposal for conversion of marks into grades for 5 year Integrated M.Tech (CS) programme as follows:

1. For all courses offered in the first three years of 5-year Int. M.Tech (CS) within the School, MCA grade table will be used.
2. For all courses offered in the last two years of 5-year Int. M.Tech (CS) within the School, M.Tech grade table will be used.
3. For all courses offered outside the School (including Centre for Integrated Studies (CIS) and any other electives done outside the School), the grade table used in those respective schools will be used.
4. For all core courses in the first 1-1/2 years of 5-year Int. M.Tech (CS), which are in common with I.M.Sc. Courses, the grade conversion tables will be provided by CIS. These will be displayed along with School's grade Tables in the curriculum document and web site for verifying the results.
